Bronze Medal S. Ling.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. On the right side, there is a vertical strip of red binding material, possibly a hinge or a piece of tape, which is slightly raised from the page. The overall tone is warm and slightly yellowed, suggesting the age of the document.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. On the right side, there is a vertical strip of red binding material, possibly a hinge or a decorative element. The left edge of the page shows the binding of the book, with visible stitching and the edges of other pages.[illegible]

This image shows a single sheet of cream-colored paper with vertical red ruling lines. The lines are evenly spaced and run from top to bottom. There are approximately 20 lines visible across the width of the page. The paper has a slightly textured appearance and some minor discoloration or foxing, particularly towards the edges. The overall tone is a light beige or off-white.
